COMPANY PROFILE

WHO WE ARE

Delivering Effective Civil Construction and Building Services Solutions without compromising Quality.

Mesh Civils is a Civil Construction and Building Services Company providing Quality, Affordable and Tailor-made Civil Construction and Building Services solutions to our clientele.

We presently service tens of clients and thousands of square feet each and every day of the week. This varies from small once-a-week offices with just a few staff members to large clients with hundreds of staff providing an array of quality services.

WHY WORK WITH US

Quality Service. Unmatched Value. In delivering to our customers, we strive to achieve the following:

- **Customer Delight:** Exceeding our client's expectations is our top priority and we guarantee total satisfaction with our professionally managed services
- **Quality:** We always deliver the highest standards of Civil Construction and Building solutions.
- **Health and Safety:** Health Safety of our clients and staff is of paramount importance.

• **State-of-the-art Technology:** We have modern equipment for Civil Construction and Building to enable us to deliver and exceed our clients' expectation.

BEE Status

Procurement

In order to support the objectives of BBBEE and to meet its relevant requirements, we ensure that all of our procurement requirements are sourced from BBBEE compliant providers.
